Lyrics for Grand Square

I like the feel of your name on my lips

And I like the sound of your sweet gentle kiss

The way that your fingers run through my hair

And how your scent lingers . . .

And I lie the way your eyes dance when you laugh

And how you enjoy your two-hour bath

And how you convinced me to dance in the rain

With everyone watching like . . .

I like to imitate, Old Jerry Lee

Watch you roll your eyes when I'm slightly off key

And I like the innocent way that you cry

At sappy old movies, Allemande and you weave

Strong and Wild, Slow and Easy

Heart and Soul, So Completely

I love.....

The way you love me
